PACIFIC OPERA VICTORIA'S  
SCENIC & WARDROBE STUDIOS

## space and talents for hire

**Facility Rental** The Opera Shop's 10 000 square foot warehouse is available for film, television and event production. The Scene Shop is designed for construction work in steel, wood and scenic painting and boasts a clear height of 20 feet, level loading facilities, compressed air and ample utilities. The wardrobe and prop shops are generous spaces with natural light, laundry facilities and fitting rooms. The Opera Shop has secure parking, office space, lunchroom and wireless internet service and is located in Victoria's downtown warehouse district.

**Production Expertise** Pacific Opera Victoria's eclectic team of artists and craftspeople can bring a wealth of creative and technical expertise to your project in the fields of project management, design, construction, scenic art, properties and wardrobe construction. The team brings a wealth of experience in opera, theatre, film and television production.

**Affiliations** Pacific Opera Victoria maintains professional affiliations with the International Alliance of Theatrical Stage Employees (IATSE Local 168), Associated Designers of Canada, Canadian Institute of Theatre Technology and WorkSafeBC.

**Co-Production Opportunities** Since 1980, Pacific Opera Victoria has created seasons of entirely new productions and continues to offer a diverse blend of repertoire for its small stage and intimate theatre. Future productions include Idomeneo, Madama Butterfly, Regina, Thais, Semele, Magic Flute, The Rake's Progress, and Miss Julie. POV has a proud tradition of working in partnership with regional and national arts organizations, and welcomes proposals for co-production.
